PROFILE

I'm a UI/UX Designer specializing in Figma and a Web Developer with a passion for creating visually stunning, user-friendly digital experiences. With a focus on seamless interfaces and intuitive design, I combine creativity with functionality to deliver innovative, responsive websites. Always expanding my skills in design and development, I'm dedicated to pushing the boundaries of web experiences. Let's build something extraordinary together!

EXPERIENCE

- Trackguard Website/Mobile** 2025
